## INVITATION

### Croke Park Community Meeting

#### Dear Resident

This public meeting is a follow up to the one held in Distillery Road in November 2010. I would like to thank those of you who attended that meeting for the valuable contributions you made on the night (notes from that meeting are on the website).

A commitment was made to hold a meeting by the end of January so we are a day out.

The agenda for this meeting is on the proposed actions for 2011.

The basis for these actions is taken from the Croke Park Study recommendations.

The main agenda topics relate to:

- **Communication**
- **Traffic**
- **Cleaning**
- **Community Gain**
- **Planning**

Ample time will be made available for discussion.

Since our most recent newsletter in December the fixtures list has been updated (see overleaf). The Community Waste Recycling facility in the Stadium proved very successful and we would like to thank users for their cooperation.

The Croke Park website is updated on a regular basis and if you have access to the internet it is an excellent source of information:

**Venue:** Croke Park Stadium  
Cusack Stand  
(enter via St Joseph's Avenue)

**Date:** Tuesday  
1st February 2011

**Time:** 7.00pm to 9.00pm

Please note that the advice centres have restarted (details overleaf) and you are very welcome to call in. I can also arrange to meet with you at your home or in Croke Park.

I look forward to meeting with you on Tuesday and throughout the season.
